- Tools / languages used: JavaScript, Express, NodeJS, NoSQL, MongoDB, Handlebars, GitHub, Heroku

## EXPERIENCE

**Paraeducator**

**Federal Way Public School**

**9/2021-Present**

**Federal Way, WA**

Support students with academic needs and behaviors. Work with small group of students to improve phonics, phonemic awareness, counting and number recognition. Help students solve emotional and social emotional problems by using calming technique, reinforcing positive behaviors, and a reward system. Partner with lead teacher to maintain a safe, motivating learning environment.

*Key Accomplishments:*

- Recognized by lead teacher and substitute teacher for reinforcing classroom management and calming students with tantrum breakdown.
- Successfully helped a child qualified for special services by monitoring and collecting his daily data.
- Successfully boosted a child's reading level through reading intervention strategies.

**Kindergarten Teacher**  
**Factoria KinderCare**

**8/2020-8/2021**  
**Bellevue, WA**

Plan and teach lessons following the curriculum. Plan and run school events. Assess children's academic and social-emotional skills. Communicate with parents and director regarding children's progress, concerns, accidents. Write report card. Run family conferences.

*Key Accomplishments:*

- By the end of the year, 100% of eligible children successfully proceeded to 1st grade.
- Successfully engaged family and children in 3 reading events, and 3 performances.
- Maintained 90% of the family's satisfaction throughout the school year.

**EDUCATION**

**Bootcamp Certificate, Full Stack Web Development:** University of Washington, Seattle, WA

**Bachelor of Applied Science, Teaching and Early Learning:** Highline College, Des Moines, WA
